Recruitment for the Polskie Mosty Technologiczne

Do you dream of expansion to the US market and think that your product or service may have a competitive advantage there? However, do you lack the appropriate knowledge and funds to cover consulting services? Do not miss the recruitment for the Polish Technological Bridges project!

Are you a micro, small or medium-sized entrepreneur interested in expanding into the US market? Take part in the recruitment for the Polish Technological Bridges (PMT) project. Get co-financing for consulting and training services in the field of foreign expansion and a cash grant for the implementation of an expansion strategy on the target market. You can receive financial support in the de minimis aid formula worth up to PLN 150,000.

Apply for a grant. **The first recruitment this year will start on April 6.**

Polish Investment and Trade Agency Inc.
