

On June 18, entrepreneurs and representatives of business environment institutions met in the concert hall of the Dzierżoniów Cultural Center. This event was a great opportunity to gain knowledge in running and developing a business. It was also a time to strengthen cooperation and exchange of experiences between local institutions and companies that create a business support network.

We would like to thank the institutions and companies involved in co-organizing the event for their professionalism and openness to cooperation. And they were:

- Social Insurance Institution - Inspectorate in Dzierżoniów,
- Tax Office in Dzierżoniów,
- District Labor Office in Dzierżoniów,
- District Sanitary and Epidemiological Station in Dzierżoniów,

- European Funds Information Point in Wrocław,
- Business Development Agency,
- Pro-3R Tadeusz Skrzypek Law Firm,
- City Hall - City Development Department.

We hope that together we will be able to implement many interesting ideas and initiatives in the future to the benefit of the local entrepreneurial community. We encourage you to view the Photo Gallery from the event!
