EU funds for starting your own business - webinar

The Information Point of European Funds in Jelenia GÃ³ra invites you to a webinar entitled: "EU funds for starting your own business."

During the webinar, participants will learn how to obtain funds from European Funds to start a business as part of grants and repayable instruments (loans on preferential terms). Participants will be presented with the conditions and criteria for receiving support. Applications for support and necessary attachments will be discussed.

Deadline: March 11, 2025 (Tuesday), at 10.00-11.30 on the ZOOM platform.

The webinar is intended for people:

- registered at the employment office as unemployed,

- registered as job seekers,
- unemployed and not performing other paid work,
- students of the last year of higher education - unemployed and not doing any other paid work,
- job seekers - carers of people with disabilities,
- job seekers whose average monthly income for the last three months did not exceed the average salary.
