

Are you looking for a functional and well-located production and warehouse space with office facilities? Discover the offer from Invest-Park Development â?? a company actively supporting economic growth in the region. The available modern halls for rent are located at 21 Strefowa Street, directly adjacent to the DzierÅ¼oniÃ³w Subzone of the WaÅ?brzych Special Economic Zone. These facilities are intended for entrepreneurs seeking practical space for production, warehousing, or logistics activities.

The building at 21 Strefowa Street in DzierÅ¼oniÃ³w offers a total of 5,585.05 mÂ² of usable space, including: 5,065.89 mÂ² of production and warehouse halls, and over 508 mÂ² of office and social facilities located on a single floor.

The building is divided into four independent hall modules: A, B, C, and D. Each module includes its own office and social area as well as a separate main entrance â

?? allowing for flexible adjustment to tenant needs. Logistics and amenities:

- 80 parking spaces on the premises
- Immediate proximity to INVEST-PARK economic zone areas
- Convenient access and close proximity to major transport routes

This offer is dedicated to businesses in the industrial, logistics, and service sectors, looking for:

- modern, ready-to-use production or warehouse space,
- adaptable facilities to meet specific operational needs,
- a convenient location with integrated office and social infrastructure.
