Entrepreneur, digital accessibility is not a trend - it's an obligation from June 2025. Join the project

On June 28, 2025, the obligation to ensure digital accessibility for businesses in Poland, resulting from the European Accessibility Act (EAA), came into force. The new regulations require companies â?? including online stores, banks, and other online service providers â?? to adapt their products and services to the needs of people with disabilities.

Don't wait â?? take advantage of free training and consulting as part of the "Accessibility Institute â?? Training and Consulting for Companies" project (no. FERS.01.03-IP.09-002/24), implemented by Instytut ADN sp. z o.o. sp. k. and the Culture Without Barriers Foundation.

Learn how to comply with the new legal requirements and discover the real benefits of implementing digital accessibility principles â?? completely free of charge. 100% funding under the de minimis aid scheme.

Project implementation period: January 1, 2025, to December 31, 2027.

The project is aimed at owners and employees of micro, small, medium, and large enterprises across Poland.

Practical sessions will include the opportunity to try out simulation tools that will help understand the variety of functional constraints.
