

On 14 January, the annual New Yearâ??s Meeting was held at the â?? Zbyszekâ? Cinema-Theatre, during which the Mayor of DzierÅ¼oniÃ³w, Dariusz Kucharski, presented a summary of 2025 as well as the cityâ??s investment and development plans for 2026. The event was attended by representatives of the cityâ??s organizational units, institutions cooperating with the local government, the DzierÅ¼oniÃ³w business community, and non-governmental organizations. The meeting was also attended by members of parliament, delegations from partner cities and neighboring municipalities, as well as representatives of uniformed

services.

The Mayor spoke about initiatives that will create new development opportunities for DzierÅ¼oniÃ³w and the region. He emphasized that in 2025 the city secured PLN 29 million in external funding and implemented investments with a total value exceeding PLN 40 million. Key investment directions planned for 2026 were also presented. DzierÅ¼oniÃ³w remains an important center of entrepreneurship â?? currently, 2,700 people run sole proprietorships in the city, and the total number of business entities amounts to approximately 4,600. During the meeting, the Mayor also recalled the cityâ??s measures aimed at supporting entrepreneurs, including investment support programs and property tax exemptions under de minimis aid and regional investment aid.

The official part of the event was enhanced by a performance by Andrzej Poniedzielski, and the meeting also provided an opportunity for informal discussions, exch
